COLLEGE ENROLLMENT

The education programme at the Fleetwood Town Community Trust is an exciting opportunity for both males and females aged 16-19 to continue their education, and career development through playing football and Futsal representing Fleetwood Town Football Club.

This unique and high-quality experience combines engaging, small group educational lessons and sports modules with our tutors, with the opportunity to train and develop with UEFA/FA qualified coaches, gain exclusive work experience and represent Fleetwood Town in various regional and national competitions, run by the English Football League.

In September, we welcomed the 2024/2025 students to their first day teaching at the college. They settled in nicely, playing a range of sports on induction week and thoroughly enjoying a tasty Dominoes at the end!

The class are now getting used to this new experience, spending time in the classrooms and playing their football matches, with A-Team smashing West Brom 7-3 at home and the girls coming back from 2 goals down to win 3-2 in the end with a hatrick from Keren Allen. Not too bad for the first games back! B-Team were unfortunately defeated by Liverpool, however they put on a good fight and a good game!

A warm welcome to Rob and Tom too, who will be tutoring the students along the way, we cant wait to see everyones journey here!

CHAMPIONS AMBASSADOR

Fleetwood Town Midfielder Danny Mayor has agreed to be The Champions Ambassador for the 2024-2025 Season, Danny met with Mentors Gary and Steven last week and told them that he is honoured to be asked to be the Ambassador and was interested in the Programme after meeting with them and cant wait to meet the participants and help them.

Champions is an exciting personal development programme in Lancashire that aims to ensure that regardless of your circumstances or background, you have the opportunities and support

to achieve your potential. The Champions programme has been helping young people in Lancashire since 2020 and has so far supported over 400 people.

During the programme of support, mentors help you access relevant activities, support services and

opportunities. The programme was set up and is funded by the Lancashire Violence Reduction Network and is part of the wider work they do around preventing serious violence in Lancashire by understanding and addressing its root causes.

SESSION OF THE MONTH

Our Session of the Month for September is TrySport. It is a community outreach programme funded by Wyre Council and is delivered by Fleetwood Town Community Trust, Fylde Coast YMCA, and Your Move.

It provides opportunities for young people to increase their levels of physical activity by getting involved in a wide variety of sports such as football, rugby, dance, boxing and more.

The programme is held within areas of Wyre which have the greatest health needs and lack of opportunity available.

this session helps you improve life skills such as communication and teamwork skills, as well as sport specific skills like hand-eye coordination and spatial awareness. The sessions are aimed at giving you the chance to take part in sports in a fun and friendly environment!

Well done to Jamie for running these sessions so smoothly!

OUR FRIENDS

Fleetwood Town Community Trust welcomes partnership with Affinity Lancashire Outlet!

Many who are reading this will know Affinity Lancashire formally known as Freeport from a 16-unit site in 1995 – now housing 40 and about to celebrate its 30th birthday: “Affinity Lancashire is part of a family of outlet centres, all under the Affinity name. United by a shared vision and values, we strive to offer an exceptional shopping experience for our valued customers”.

“As our name suggests, the essence of our brand is connection and closeness. We aim to forge relationships with our customers and partners that are based on understanding. We constantly strive to create, nurture and sustain our valued relationships within our communities.”

“We build loyalty. We create Affinity.”

Fleetwood Town FC Community Trust is motivated to work with Affinity Lancashire and are excited by the good we can mutually achieve when delivering our programmes and activities.

For further information regarding working with the Trust’s and our sponsorship packages, contact Michael.Edwards@Fleetwoodtownfc.com or give him a call on 07770292114 or 01253 208442.

JORGI'S STORY

Try Sports – Jorgi's Story

Jorgi is a 12 year old girl living in Fleetwood who attends Fleetwood High School. In her spare time, she enjoys going out with her friends, shopping and cooking with her mum, Tina. As well as her love for animals, Jorgi also loves boxing.

Jorgi first started her boxing journey at 6 years old when she attended her first Tiny Tysons session. After attending a session a week for two years, she then progressed onto the beginners classes which are for ages 10-16. As soon as she turned 11, Jorgi got her medical at England Boxing and since then, she has had two skill bouts and is preparing for her third.

Jorgi's journey highlights the fantastic work that Sean and his coaches are doing at the Tiny Tysons sessions and just how big of an impact they can have. These can be highlighted at all of the sessions that Try Sports offers, whether that be boxing, netball, dance, basketball or futsal. We hope that Jorgi's story becomes an inspiration to as many young people as possible and we hope that many more lives are changed through the power of Try Sports.
