FLEETWOOD TOWN WRENS INTRODUCTION:

“We have been in existence for over 30 years playing fixtures all over the Northwest of England providing opportunities for ladies and girls from the age of 16 upwards. Sponsoring the ladies offers a unique opportunity to align your company with one of the most growing sports in the country.

With the increasing popularity and visibility of womens football, your support not only helps empower female athletes but also positions your compamy as a forward thinking advocate for equality, development and local pride.
